Mission

To provide the framework within which girls can aspire to more successful lifestyles, seek a better education, secure meaningful and financially equitable employment, and to become responsible and caring members of our society.

Vision

A community where today's young girls can grow up safe, capable, and smart, having developed self-respect and confidence so they keep their bodies healthy and are inspired to achieve academically. Reaching one girl at a time, we will break the cycle of poverty and strengthen our neighborhoods and community.

Programs

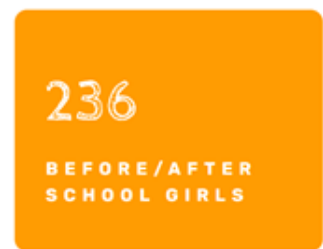

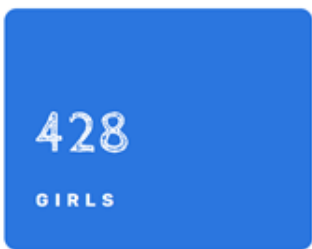

Alternative Education Programs: Serving K-8th grades, *JFG Elementary* and *JFG Middle* provide highly effective education programs that accelerate learning gains, recover academic loss, promote emotional resilience, and develop healthy habits in areas of increased vulnerability or risks to young girls and adolescents.

Leadership and Learning Centers: Located in North, East, and West Manatee County, our centers provide year-round academic, behavioral, and character development programs for school-age girls Monday – Friday from 6:30am – 6:00pm and Select Scholastic Saturdays from 10am – 1pm.
